- A compact *Pair* version of our famous *Pro* omni speakers improves any exterior landscape setting with 360° sound

The Award winning *Omnispeaker*® from TIC Corporation is the most experienced, tried, tested and proven exterior ground speaker available.

Like its *pro*-series larger brothers the GS5 mini-omni's are Teflon® sealed, have improved impact resistant and lower resonance cabinetry. High quality speaker network crossover and 30' of burial cable is also included. Stand alone, sound re-enforcement or as satellite speakers to their famous GS50 sub-woofer, these units perform well.

From the worlds most famous theme parks to your backyard. The best value for money exterior speakers available just got a whole lot better!
