- Enhance any exterior landscape setting with 360° sound & lighting

The Award winning *Omnispeaker*® from TIC Corporation is the most experienced, tried, tested and proven exterior ground speaker available.

Like its *pro-series* larger brothers the GS5L mini-omni-lights are Teflon® sealed, have improved impact resistant and lower resonance cabinetry. High quality speaker network crossover and 30' of burial cable is also included. As well as surprising sound quality these units cast a gentle low voltage radiance to accent any surroundings.

From the worlds most famous theme parks to your backyard. The best value for money exterior speakers available just got a whole lot better!
